Djerba, Tunisia

EDUCATION

- **Higher Institute of Computer Science and Multimedia of Gabes (ISIMG)** — Gabes, Tunisia
  Engineering Degree in Computer Science — *2023 – 2026*

- **Higher Institute of Computer Science and Multimedia of Gabes (ISIMG)** — Gabes, Tunisia
  Integrated Preparatory Cycle — Ranking: 7/75 — *2021 – 2023*

EXPERIENCE

- **Software Developer Intern — Web Vue** — Remote / Sfax
  Jun 2025 – Jul 2025

  Developed a cross-platform mobile and web application using Flutter, Angular, Laravel, and MySQL.

  Integrated the Google Gemini API to interpret multilingual voice commands (Arabic, French, English) and automatically generate tasks or meeting events. Implemented voice recording, playback, transcription, and conversion of speech into actionable items.

  Technologies: Flutter, Angular, TypeScript, Laravel, MySQL

- **Mobile Developer Intern — BFI Group** — Onsite / Djerba, Tunisia
  Jun 2024 – Aug 2024

  Developed a mobile banking application supporting account management, deposits, withdrawals, and transaction tracking. Implemented secure account creation, deactivation, and user profile management. Integrated service payments and real-time data synchronization using Firebase.

  Technologies: Flutter, Firebase

PROJECTS

- **Freelance Web Developer**
  Designed and built custom web applications for clients using Angular, Spring Boot, and MySQL. Developed responsive UI, scalable backend architecture, and optimized performance.
  Technologies: Angular, Spring Boot, MySQL

- **TeamHub**
  Developed a complete HR and project management platform with role-based access for HR, managers, and developers. Built task management, project tracking, payroll, leave management, authentication, and password recovery modules.
  Technologies: Angular, Spring Boot, MySQL

- **Inventory & Sales Management System**
  Developed a full inventory and sales management system with JWT authentication (Admin/Seller). Implemented real-time inventory tracking, automated invoice generation, and analytics dashboards.
  Technologies: Angular, Spring Boot, MySQL

AWARDS

- **X-DAYS ISIMG — Problem Solving Competition**
  Ranked 4th out of 40 teams.
