EDUCATION

Higher Institute of Computer Science and Multimedia of Gabes (ISIMG)   2023 – 2026
Engineering Degree

Higher Institute of Computer Science and Multimedia of Gabes (ISIMG)   2021 – 2023
Integrated Preparatory Cycle
Ranking 7/75

PROFESSIONAL EXPERIENCE

Software Developer Intern   06/2025 – 07/2025
Web Vue 🔗
- Developed a cross-platform mobile and web app using Flutter, Angular, and Laravel with MySQL, enabling users to create and assign tasks to projects through natural voice commands.
- Integrated the Google Gemini API for interpreting multilingual (Arabic, French, English) voice inputs, automatically generating tasks or meetings like "Create a meeting with John tomorrow at 2 PM."
- Implemented voice recording, playback, and transcription features that convert speech into actionable items, enhancing productivity and accessibility.
- **Technologies: Angular,Flutter,TypeScript, Laravel,MySQL**

Mobile Developer Intern   06/2024 – 08/2024
Bfi Group 🔗
- Developed an intuitive mobile banking application to manage accounts, deposits, withdrawals, and transactions.
- Implemented secure account creation and profile management.
- Integrated direct service payments and account deactivation.
- **Technologies: Flutter, Firebase**

PROJECTS

Freelance Web Developer
- Collaborated with clients to design and build high-quality, user-friendly web solutions tailored to their business needs
- **Technologies: Angular,Spring Boot,MySQL**

TeamHub 🔗
- A web-based HR and project management application designed for IT startups. It provides role-based access for HR, managers, and developers to manage tasks, track projects, handle payroll and leave requests, all secured with robust authentication and password recovery
- **Technologies: Angular,Spring Boot,MySQL**

Inventory & Sales Management System 🔗
- Built a full-featured Inventory and Sales Management System using Angular and Spring Boot with role-based authentication (Admin/Seller) via JWT Security, enabling real-time inventory tracking, automatic invoice generation, and insightful sales analytics dashboards.
- **Technologies: Angular,Spring Boot,MySQL**

AWARDS

X-DAYS ISIMG (PROBLEM SOLVING COMPETITION)
4th place out of 40 teams
